“ Bubba Tony, I will always remember the times we shared when you were part of our family. I always thought of you as my brother. I remember all the times you would play your guitar and sing. I remember how good you were with my two girls. My heart is broken into because I did not get to visit you one last time. I know you are in a better place, have a new body free of cancer and pain!! R.I.P. Bubba Tony!! I will see you again one day!!

“ I have many fond memories of Tony. Credence Clearwater Rival, Sitting at the dock of the Bay, is the very first thing that comes to me. He could play that on the guitar and sing it. He had a beautiful voice. First time I was ever in a car over 100 miles an hour was with Bubba. Told him I wanted to be a race car driver, he just laughed and kept right on rolling on HWY 46. Known him as long as I can remember. His mother , Miss Stella was my babysitter and he was always like an older brother. RIP Bubba Tony, will always love you
