“ *I can't believe it's already been a year ago today, that we laid you to rest my sweet boy. We miss you more today then ever. Love you to the last star and back, to infinity and beyond!* ❤️

Candy Roberts - January 19, 2017 at 05:01 PM

“ *Rest in peace nephew.
I am your Aunt Gayle... your daddy's older sister.
We had met a few times but I wish I had gotten the chance to know you better.*

*You have an entire side of the Roberts family that would have loved to have had the chance to get to know you- but we were then & are still now- unwelcome to the Roberts family.
However, showing true class & respect... I'll just say "so long" to you right here & now.*

So long, sweetheart... you are loved... even if we weren't & aren't allowed to show it.
