Tribute Wall

“Mrs. Alice will truly be missed, and I pray that our Heavenly Father will comfort each of you in only the way He can.

I was in the FCE Club with Mrs. Alice and the other ladies, and was the "Baby" of the group. ;-) The FCE ladies were and are very special to me even to this day.

When I found Wed. night at church that she had passed I was very upset and it took a little while for me to calm back down...one of the things that helped was a memory from one of our FCE gatherings after we had finished the meeting was visiting. The ladies were sharing different stories, and Mrs. Alice share on that had us all rolling "on the floor" had we been capable. I think she missed her calling as a teller of stories.

I cannot remember if it was that year or not (it has been about 10 years, I think, when she was telling us about it), but she was telling us about the time her son came to get her in his big truck to take her to the grocery, and her drive was rather icy. He helped her get out to the truck, and if I remember correctly, she was already starting to get in, so he went on around to the other side of the truck to get in himself. Apparently as he was getting in he discovered her missing, ;-) and went back around the truck to see what was going on. Mrs. Alice had slipped under the truck on the ice somehow, so as I recall the fun began while they tried to get her into the truck. She apparently kept slipping under the truck rather than being able to get into it. Thankfully she was never hurt, but listening to her tell the story was absolutely hilarious and had tears running down our faces with all the laughter. I can still see her face and her big smile and giggles as she told the story to us. What a special and happy memory it is for me, and I hope it will bring at least a grin to your face, for there is NO WAY I could ever tell it the way she did. ;-)

Mrs. Alice was a special lady!

I will miss you, Mrs. Alice, and pray that you are in a much better

*place where you will be happy forevermore. Love, Tracy Dawn
(Hudgins)*
