“ Alvin was basically my grandfather. I always loved helping him with the cattle and he loved telling me stories of his life. I wish I could have spent more time with him. I'll miss you Alvin, I will carry our memories in my heart and never forget you.

“ Alvin was such a wonderful man and will be missed terribly by many..I have several fond memories of Alvin but not enough space on here to share them all but will definitely hold them in my heart for the rest of my life..One memory that really comes to mind often is of when my brother and I were younger..About 5 and 7 years old..We would put us up a little(very homemade) LEMONADE STAND during summer break from school..Alvin being a close neighbor and close family friend would stop every day at our LEMONADE STAND..Never bought or drank a cup of LEMONADE but gave each of us a quarter each time he stopped..Sometimes in the morning and then again that evening..Most days ALVIN was our only customer for the entire season...We always looked forward to seeing ALVIN coming down the road..Heaven is rejoicing as the angels see ALVIN coming down the streets of GOLD I'm sure...Miss you BUDDY...Fly High

“ I remember getting off the bus everyday and going to his house. Helping him with the cattle and garden was our favorite past time. He sure loved watching us kids grow up . I wouldn't be here today without him.
