“ My daughter was one she talked to in school based therapy! My daughter was always talking to mrs Amanda! My daughter took it hard because she was the last one to talk to her that day! We keep watching the daily heard newspaper on columbia tn but never seen it because she wanted to go to at least the visitation and also get one of those books she could remember her by to my daughter loved mrs Amanda she had also promised my daughter she was going to come to her birthday party on February 28

“ Although they failed to mention it, Mandy was my niece as well. I could not have asked for a better niece. Mandy was a wonderful loving mother to her children, Callie and Chloe and step daughter Carly. She was a wonderful loving wife to her husband Alan. Mandy touched the lives of so many people and was and still is an inspiration to us all. She will be sadly missed but will never be forgotten. She definitely made the world a better place.

“ My husband and I are very sorry for the loss of Amanda. You don't know us, but we drove by the accident a few minutes after it happened and it was horrifying. She was such an accomplished and caring lady she truly is a loss to the world she wanted to make better. Our deepest sympathies for the family she left behind.

“ I work at Randolph Howell and Amanda met with several of my students each week. They loved her. They would come back to my room afterwards with smiles on their faces. If something happened and our schedules were changed for a day, you better believe the kids were asking about when they got to go see Ms. Amanda. She gave them something to look forward to. I am sorry for your loss. We will all miss Amanda and her quiet, kind smile.
