“ I just wanted you to know that you are still missed and loved. I haven't forgotten about you. I have a picture that was painted for me of you hanging in my living room. I visit you as much as I can. We all miss you down here. I hope you can hear me when I talk to you. I carry you in my heart all the time, everything I do. I miss you so so much. Love you!!!

“ I sometimes think i never really morned your passing, because I was still caught up in Gummys. I miss you and try to help even if some don't deserve it but I try not to judge anyone. Your leaving was so hard on your mom and dad, I won't go into it but we all know, just know baby girl no matter what happened she still gave birth and losing u hurt all the same. I would never want to be on the losing end and as time passes I find myself losing a lot and this hurts. I hope your flying free and with Gummy. Tell her hi and maybe you and her can stop in a visit me soon. I remember you yelling at the her who messed up Gummys funeral well they did a great job for you. You looked beautiful. Well love you and see u soon love your aunt R.C.

“ Hey baby girl, as days progress, I'm Starting to find out more things, hear new things, and read ur letters. I'm finally now starting to understand. I'm getting it. U said this world was to good for u, well dearest, sweet angel, U were to good for this world. Ur smiling face, even though u were in pain, brought joy to many. We use to sit and talk about all ur hopes and dreams, and even though ur gone they r still there for u. I pray that God takes his gentle hand baby girl and guides u home where all ur pain and sorrow is gone, all ur scars r healed and u can live in paradise like u deserve. Amy Grace i love you with all my heart, and I still have your heart like I promised U always. Ur legacy will live on my dearest, ur angel wings U have earned. I wish u were still here and I found u sooner. Rest in peace baby girl, may ur eternal light shine...I love u always and forever until we meet again! ~mom~
