“ Jackie was the friend who we thought would live forevermore. My family had known him all his life and myself for 32 years. He was the best neighbor growing up and to his last day; a sweet good hearted man who is truly unforgettable. We have such wonderful memories and miss him greatly! We are convinced he lived life to the fullest. The following fits Jackie, his personality, and what we feel was his life motto:

*Life's journey is not to arrive at the grave safely in a well preserved body,  
But rather to skid in sideways,  
Totally worn out,  
Shouting "WOW...what a ride!"*

*Much love,*

*Pat, Stephanie, Ashley, & Jeremy Powers*
