GS

“ *Loved having Bud and family over for spaghetti dinners. He was so happy living in Tennessee with his family and animals. Loved hearing his stories. Will miss him. ❤️*

“ *An early memory, at Grandpa's I remember Buddy letting us ride the horse "Pal" while he walked it around the ring. That horse bit me. Buddy was such a wonderful soul, he would help anyone anyway he could. He is missed, but I know Mom has welcomed him home.*
