“ Mrs. Swaw touched many lives, including mine, with her ability to show love to everyone she met. She showed kindness in doing things for people if she saw a need and rarely did she not reach for a hug as we would pass in the corridors of Tulipwood.

Didn't know Mrs. Swaw that well, but she was a friend of my mom's at Tulipwood and I would always speak to her at church. Sweet lady of what I did know of her. Melissa Shelton, Member of Centerville Church of Christ

“ *Mrs. Jean loved every person she met. She shared her love of the church and faith in God to all. She touched many lives in so many ways. I will always remember how she taught both our sons in Sunday school. She taught every child that was in her class the books of the Bible, she taught them the importance of giving and putting God first! Her life wasn't easy but she always put God first! She was a loving, Godly woman!*
