“ *My thoughts and prayers are with my sweet cousins Pat, Charlotte, & Cherry, and their families as they mourn the loss of their precious mother, my Aunt Annabel. She is my father's sister. My sister Stephanie and I spent a great part of our childhood at her house playing barbie dolls and many other silly little girl games with our beautiful cousin Cherry who was close to our age. My cousins Charlotte and Pat would often tote us around to do other fun things like go swimming or to the movies. I have so many fond memories of those days. They were filled with so much warmth and love and are imprinted on my heart. I mourn the loss of having such a beautiful soul leave us, but I also celebrate her beautiful life and can remember with joy the love that she gave so abundantly while she was here with us. She was so loved and will be truly missed until we see each other again on the otherside where I'm certain she is now rejoicing and has been made new. Love you, Aunt Annabel! ... RIP.*
