“ Aunt Edna, you walked thru the gates and to home in heaven together with our Mom Audley Mae. I cherished the times when we came down there to see you and listen to all the stories you told us of mom and the family. I always bragged about you and still will when someone asked me how old mom was over the years and I would tell them about you. Love and peace till we all meet again in heaven. XOXOXOXOXOX

Sincerely,
