Truly one of the finest souls I've ever encountered! Loved her dearly, as my Mother did. They worked together for years at Wilson's Manufacturing. We were distant kin, and Maudie helped me so very much with working on different family histories of the area. Smart as a whip, sharp as a tack, strong, hard-working, never met a stranger! Will miss our talks on your front porch, Lady! My sympathies to all of her family and her many friends!

“ *Miss Maudie was such a kind, sweet lady. Many memories of talking with her at church. She and my Grandmother (Dollie Petty) were such dear friends and loved to call one another on the phone. I know she will be greatly missed. Prayers for peace and comfort to her wonderful family.*

“ You were the best mother any child could ever ask for. You gave everything you had plus some to provide for us and to teach us right from wrong. You taught us to treat others the way we wanted to be treated. You gave us unconditional love. We will always have a heartful of precious memories of you. This is not good by because we will see you again someday. We sure love you.
