“ *I met Antonio in 1960 in Seagraves. We became good friends as well as with his family Gamez, Davila, Aguilar, not only me but my brother Joe B, nickname Queeno. We all went different directions, some of us have been married over 40 years but as years have past we kept up with each other in some way. About 10 years ago on a Sunday afternoon I received a phone call from Tonio. I had 5 years of remission from cancer behind me. He called to tell me about his cancer treatment challenges he was having as he was going to MD Anderson from Odessa. He asked me to pray for me. So I did on the phone. I know that his faith was strong. He was received in the heavens. Even though I will not get to see him on this earth any more, i know he only relocated, new address Heaven. I carry our youth memories forever. Our prayers and condolences to all the family. David Lira-Round Rock, TX, Joe Lira - Sinton Tx*

“ *Tony, saw you at Walmart last week. We hugged and I ask where is Ann. She was at home. You were so kind and so good to Ann, I cannot forget your ways, and share them with everyone who reads this wall. You made her happy, and as she said " A blessing from Heaven".*
