“ It's been a week since we laid you to rest. I honestly never thought I would be sitting here writing on your obituary. It's heartbreaking and sad not just for me but your babies the most. I listened to Alayna talk about all the pictures you had previewed at your visitation and little Kaleb say that's me and my mommy and Layna. They remember the best parts of you. I'm broken that life threw you a curve ball and saddened that 34 years with my big little cousin wasn't enough. We argued and disagreed but one thing was for sure I loved you. I hope your soul is at rest and you watch over your kiddos. Until later big cuz. ❤️

“ Ashley Malone Blough you will be missed more than you'll ever know..I'm so gonna miss pulling in your momma's driveway or uncle Andy's and seeing you come , "Getting it" as u would say...with 7 bags on each arm struggling to get in the front seat completely out of breath . Smiling from ear to ear. You'd say 'sissy where you been I been missing you I loved to hear you say that because I knew you truly ment it . You were the realest person I knew. We had so many good times and laughed out butts off. You gained your wings way to soon but you will rock them I'm sure of that . Fly high sister and until we meet again I will be missing you. Love ya sis
