“ Mrs. Loveless will be missed in Michigan, she was loved by her grandson Steve and our family was blessed because he shared her with us. I loved the way she would talk when Brittany was a baby she began to cry and I told Great Grandma to give her a pacifier and she said "Oh she don't want that fooler she too smart for that thing" lol she was right. Each time she came to visit, Steve and Carla would take her to church and it was a blessing to to sit on the same pew with such a faithful women of Christ. She always loved to hear good gospel singing and I was glad that she was here in Michigan last labor day weekend to visit at Beacon Baptist Church while we were having our church picnic. No doubt she will be missed. God bless her family. Sincerly, Tammy Cullen (Steve's sister-in-law)
