“ I am so saddened by the news. She was a dear friend , confidante and so energetic May her soul rest in peace. My love goes out to the family and may her soul rest in peace.

“ To The Family of Barbara Derryberry,

My prayers are with all of you at this time.

I always looked forward to seeing Barbara when the district senior olympic games were held in Lawrenceburg, TN and the state games in Franklin, TN. Sometimes I would see her at the Senior Expo in Columbia, TN with the senior group from Centerville.

We discovered that we were distant cousins. I believe our grandmothers were sisters. My grandmother's name was Lillie Snow Walters Baker. She and Owen came to one of our family reunions one year in September in Theta where I live.

Also my sister, Judy Poynor, and I visited Barbara and Owen at their nice home several years ago, and they took us to eat at The Catfish Camp -- real good food!

*Love,
Cousin Gladys (Choate) West*

“ I had the opportunity of hiring Barbara for her first job at Ventura Co9llege. She told me many times that her first job was her most rewarding job of a great career. Her soft, loving approach to all of her students and coworkers will be missed by all who knew her. She gladly accepted all tasks and assignments with a welcoming smile. Her ultimate job as the District Superintendent of the Ventura County Community College District was the crown on a great career. Her taking on the role as her senior citizen Executive Director was "typically Barbara" If she felt a peoples need, she rose to the occasion. We will all

miss her. Our comfort and well wishes go to her family and friends.
