“ I know this is a little late, but i just wanted to say that i thought this was an interesting tragedy to come across. I was searching on Google for names like man and this came up. Knowing I share the same name as him made it kinda sank in a little more. We share the same nickname too because I am a junior also. What tops it off is the fact that his wreck happened near Harding Rd. My grandfather's last name is Harding. I just wanted to say, that even though i didn't know him, that this Barry Jenkins, Jr. ( BJ Jenkins), will always remember this. May God bless your family!

“ While I only knew BJ a short while, I had nothing but respect for the obstacles he overcame. While it seems just like yester we were in Class @ CHA and then next think you know he is our neighbor. BJ you will be missed. Brandon Watters

“ My name is Rafael and I'm from Portugal. I met Barry on "crime city" (but never did personally, unfortunately). He was a great guy, he helped me everytime I asked him... I m really shocked with this situation. At this point I just want to give my condolences to his family and I want to say that he is looking for us! Everything will be fine and we will be with him in the afterlife...be strong for him! A big hug!

“ We are so very sorry for your loss, we never had the opportunity to meet Barry in person. However, we knew him through crime city. He was lots of fun and we enjoyed playing cc with him and chatting with him. He always spoke very highly of his family. We all cared very much for him and are devastated. Our thoughts and prayers are with you all.
