“ *I only got to work with Wolf for a short time while he was in the National Guard. He was always fun to be around and make the worst of times turn into the best of times. I always thought of him as a good friend.*

“ *Jackie, Barbara & family; I am devistated to learn of the death of your son Barry. I did not know Barry and can only imagine how badly losing a child is; but it has to be heart breaking to lose one of your children. I would love to be with you at this time but circumstances prohibit that so will be keeping your family in my prayers during this very sad time. With Love to a former classmate and his entire family, Anne*
