“ Our family would like to express our sympathy to Darlene & Mike's girls and also to Darlene's son. There is nothing like a mother's love and her absence from your lives will be felt for years to come. Your family has dealt with more heartache this last year than any family should endure but God will comfort you as no one else can. When I think of my sweet mom - I know she is where we all long to be some day and that neither your mom or mine would want to come back to this world - we are all just passing through this land. Our real home is above with the stars and our Savior Jesus Christ. Our prayers and thought are with all those Darlene loved. May you continue to feel her love through your memories and the love she shared with you all. Blessing to all! The Richard/Frances Warren family <3 <3 <3 <3
