“ Betty was the most wonderful and caring mommy i have ever met. She took me in at the very young age of 14 months and raised me until i was taken back by my birth mother at the age of 13. I was really scared for either one of them to walk out of the room so they bought me a dog that we named Fee Bee to be my companion. God placed me with the two most amazing people ever, even though they were not blood related they were my mom and dad. I miss them so much! I don't know if i would be here today if it were not for them. Not a day goes by that i don't think of her my mom. And no place has ever felt like home. I love you mommy
