“ I am so sorry for the passing of Jane. I met her a few years ago when I passed through hohewald & riverside to visit where my grandfather Andy Patton & father Andy Rick we're borne & raised. She was so nice & hospitable to me, as if she'd known me all my life. We talked for a lengthy period, as she showed me many old pictures of our ancestors. Jane was so impressionable and I will never forget her kindness.
May God bless and comfort her family.

“ *Jerry Ray and I were good buddies so he had me come down to the farm for a sleep over. We roamed all over, up to the pond, down through the fields to the Buffalo river, just being kids. It was great! The next morning Mrs. Hinson made the most wonderful breakfast and I had my first glass of raw milk. She made me feel like her son. I know she will be sorely missed by everyone who knew her and I also know she and Scrub are so happy to be together again.*

“ I was fortunate enough to have visited with Mrs. Jane Hinson on several joint family celebrations with my sister Paula Bailey Hinson, Jerry, Andrew, and Adam. Mrs. Hinson was always so soft spoken and pleasant. I remember watching her one day read through *Southern Living* and other magazines looking for the next recipe to try or the next idea to sew or crochet. I always understood that she was gifted in that she could look at a picture of something and then make it; and I did see some of her work. I still recall the basketball pillow that she made for Reed.

In addition to Andrew and Adam, I have been fortunate to meet many of her other grandchildren. She leaves a positive and strong living legacy for which the entire family should be proud. Please accept my deepest sympathies. I regret that I am unable to attend the services and show my respect in person due to distance and my caregiver obligations here in Kingsport. You are all in my prayers.

*Sincerely,
Jonathan C. Bailey

“ I'm very saddened by loss of Jane I have fond memories growing up in Riverside spending many a evening at Jane & Scrubs home visiting with my cousins while my grandfather Luke Patton visited as well.

I always felt like Jane was an integral member of the community and a true Matriarch of her family.

I will always remember her vivacious smile and welcoming demeanor. No one could quite cook like Jane as I remember at many of the community dinners and fellowships held at Riverside Church of Christ.

I'm sorry that I will not be able to attend the service, just wanted the family to know my heart felt sympathy is with you all and prayers to help with the grief are sent your way.

*Best Regards
