“ *Rodney, I was very sadden to here of your Mother's passing, we were childhood friends and couldn't have had a better time running through the old neighborhood trying to stay out of trouble. Betty was always very kind when I was around her when we were young, through the years when I would see her she would always be glad to see me and always gave me a big hug, I will miss those encounters. Your in our thoughts and prayers.*
