“ I will always fondly remember Mrs. Templeton, her sweet spirit, friendly countenance, and classic, neat appearance. She was a good customer, an encourager, excellent card sender, and so very thoughtful of others. She would get so excited in finding just the right gift, and loved beautifully wrapped packages! She did love and care for her family. It was so sweet to see them lovingly care for her as her health declined. For Jim and her children, my sympathy . Wishing God’s loving comfort and blessing for you.

Betty was my mom and dad’s best friend. I always considered her family. She was one of the finest people I ever met. I sympathize with everyone whose life she touched.
