“ To Betty Griffin the other grandmother how very much I will miss you all our laughs, sharing memories, and especially sharing our beloved grandchildren. For the last five years we have talked for hours and my discovering your sweet sweet spirit has been so rewarding. Betsy has been the focus of your life since November 2, 1976, you wanted nothing but the best for Betsy and our Daniel and Mary Katherine we agreed on that for sure. Love you so much and will miss you. See you soon and tell Kakin about our grandchildren.

“ *Betsy, I am so sorry to hear of the death of Bettye. We were friends for a long time and she called me often from NC. She certainly did love Mary Katherine and Daniel. My sympathy to your family and to Jim.*
