“ *We planted a tree in memory of my Granny at my home today and this is the prayer that I said.*

"Dear God, I hope this tree will grow healthy and beautiful, just like Granny is now. Our hearts have a missing piece, but when we think of you, our hearts are refilled. One day, I will spread my wings and see you again. I will be able to feel more happy than I used to, because I will see your face in the light. I love you Granny, and I hope you are doing amazing up there. Amen. Love your great granddaughter." ~ Dawn

“ Well *Granny*. . .

Yesterday we laid you to rest beside Pa. Granny, it's going to be so hard to find a new "normal" without you here with me on this Earth, but I know you are always going to be with me and the rest of the family. We will be together again someday and we will pick up right where we left off with all the hugs and kisses that you can handle.

*I love you,
Always Your "Baby Shea"*

“ I have spent a lot of nights at Billie Jean's house as Pattie Jo and me were best friends. We gave Billie Jean a fit sometimes but she always kept us in line. My prayers go out to Sandra, Robert, Rickey and of course Pattie Jo . She was a great lady and loved very much. She will be sadly missed but remember those great memories.

Love all

“ So sorry about Billie Jean. I have spent a lot of nights at her house and loved every minute of it. Her daughter, Pattie Jo and me were best friends. We decided to slip out one night and play basketball. Boy did we get in trouble. We never did that again as Billie Jean chewed us out. You will be sadly missed. Prayers for all . Love you,

“ *Billie was a sweet, kind, appreciative lady. We will surely miss her at New Antioch Church of Christ. She was always thinking of others, a smile and a kind word to all. She seemed to love life by not letting her health conditions get in her way. To Sandra & Paul, and all of Billie's relatives--we send our deepest heartfelt sympathies for your loss. There will never be another Billie --so we will keep the happy and kind memories of her, she left for us all in our heart.

“ *Patti, Sandra and family, I am so very sorry to hear of your sweet mother's death. She was always a special lady that Katie and I both loved to see and talk with. I know that no words help but wanted you to know you are in my thoughts and prayers.*

“ *My sweet Granny,*

I miss you so very much! I know you are having a wonderful reunion with all of your family and friends who have gone on before you. My heart is broken, but I am so happy for you because you are no longer in pain and you have been reunited with Pa. Watch over each and every one of us, Granny, especially your great-grandchildren. You have always been the glue to our family and I hope that you can continue to be.

I will be sharing more later, as the days go by. . .I love you, Granny!

*Always,
Your "Baby Shea"*

“ *Billie Jean was a special person and like a mother to me. I spent many nites at her house as her daughter, Pattie was one of my best friends. I can remember one nite when Pattie and I slipped out and went across the road to play at a friends house when Billie Jean said no. Boy did we get in trouble!! Needless to say, that never happened again. You will be sadly missed. Rest in Peace,*
