“ I met both Billy & Anita Duncan LaRue when they were Seniors and I a freshman @ Lewis Co High. They were two of the "beautiful people"; never got into trouble and were nice to even the lowly freshmen! They were dating at the time and I remember what a great couple they made. Anita was MISS LCHS that year, and Billy was Mr. LCHS and he was Vice-President of the class for 3 years. From Soph through the Sr years. I worked in the cafeteria all 4 years that I was in HS and I met most of those in school and had a pretty good handle on what was going on. I can remember some folks [mostly guys]who were in trouble w/Mr. Sisco repeatedly. Mostly just stuff that a lot of young men do that gets them in trouble w/adults..and I could name you many Young men on that list; but I cannot ever remember Billy being in any trouble. And even then I admired Billy & Anita a great deal. Always thought they were a 'Great couple" and am glad to learn they stayed together all this time. I am heart broken for this family; and will have you on my prayer list throughout this trying time. May God wrap his loving arms around you as a family; and hold you close, as you go through this grieving period. In Christian Love, AWA
