“ Rachel, and family I was honored that I was able to see Bill and Jr this past year at my Dads funeral. He was a bright spot for a difficult situation. We all live to far away to get there in time for the funeral but know our hearts are broken and we are keeping all of you in our prayers. This a difficult time and we know that so we will get in touch with you in the weeks ahead and see if there is anything you need. Perhaps we can see you in the spring when we visit Mom. Love and prayers for all of your family from all of ours.
