“ Sympathies to my extended family relations--Elizabeth, Alisha, and all the rest. Meeks and my grandmother, Ozell Dunn Truett, were brother and sister, making Bobby and my father, Kenneth Weems, first cousins. Daddy was always proud to acknowledge our connection. May his memories always be a blessing as he now rests in peace. Carolyn Moss

“ Many fond memories Bobby Dunn. One that keeps coming to mind these past few days was a testament to his character and how much he loved his family...the day he ran into a burning barn to save his daughter's horse. Love and prayers to you all in these coming days.
