

Buzz Maddox

June 3, 1944 - December 9, 2019

Buzz Maddox passed away on December 9, 2019 at the age of 75. He was the son of the late John M. and Mamie Maddox.

Buzz leaves behind; his sister Peggy Owen, his nieces Michelle Owen (Buddy Taylor) and Laura Herritt (Jacob), and his great-niece Elizabeth Herritt, as well as countless cousins and close friends.

Buzz was born and raised in Centerville, TN, where he lived his entire life, doing what he loved the most: working on the family farm in Gray's Bend. We certainly can attest that his love of the land and his careful management helped make it the productive and beautiful place it is today

The other great joy in Buzz's life was golf. He played the game the same way he lived his life: with dedication, patience, and good humor. He enjoyed helping young players learn the game, guiding and teaching the middle and high school student teams. He was often the source behind many new players' first set of clubs that he would build himself.

Buzz was a talented artist as well, painting and drawing scenes from around Hickman County. In the family having a 'Buzz' hanging in your house is what truly makes it a home.

Honest, caring, and kind, Buzz was the best brother, uncle, and friend a person could hope for. Witty and funny, Buzz had a gift for storytelling that could not be matched.

Memorial Donations in Buzz's memory may be made to the HCHS Buzz Maddox Memorial Scholarship Fund, 2009 North Oak Drive, Centerville, TN 37033

“ *I grew up in Graysbend. The Maddox family, John M., Mamie & Buzz had a great influence on my life as I was growing up. Buzz was always positive, funny and just good to be around. He taught me to drive a stick shift. I was probably 13 to 14 years old. This was during hay hauling season, he had a remarkable amount of patience which I appreciated. There are many more stories that I could tell. Buzz was a great part of my memories of growing up in Graysbend, memories that I will never forget.*

Peggy, our thoughts & prayers go out to you and your family.

“ My heart hurts for the family of Buzz, particularly, Peggy. This year she has lost two very special people in her family - Buzz and Kaye. We did not know Buzz very well, but I was very impressed by the long article written by Brad Martin in the Hickman County Times this past year or so. He apparently influenced many young people in their pursuit of Golfing. I have always thought of him as a farmer so was surprised at this special part of his life. His seems to have had a life well lived.

“ *Too many stories to tell! The influence he had on me can't be
measured. Look at all the people who have a career in the golfing
business and everone will tell you Buzz Maddox had a hand in
helping them get there. It is a sad day because Buzz was suppose
to live forever. We lost a legend that can never be replaced.*

“ *Mr. Buzz was a wonderful person. I can remember him coming over to see Uncle Riley and coming to his birthday party. He was also a lover of my mom's pie's. I can only imagine that he and Uncle Riley are headed back to the golf course with some young child at their heal. Mrs. Peggy we love you and Pray that your memories will help your broken heart.*
