“ To Pam and family, I'm so sorry to read of your loss. I've searched for Calvin on and off for several yrs on the internet and just found the Essary Family site on Facebook. You may not remember us but my wife Janie and children and I visited you in summer of 1981. Calvin had spent a week with us and held a meeting at the Danville Indiana congregation. We were driving our bright yellow VW camper and we're on vacation when we came to see y'all in West Memphis Ark. I so enjoyed the week Calvin spent with us. He was a fine person and touched my soul while he was with us and still does. I think I learned a lot from Calvin about pressing on. All my love to the family and to God be the glory !!
