“ Mrs. Jean,
I'm so sorry to hear of Carl passing. Prayers for you in the days to come.
I'm so thankful for our times together and the trust you had in us, when we first got Mrs Ava's house.

“ I believe the happiest I ever saw Carl was when he was riding in his big John Deere tractor herding me around my yard! He decided one day that mine and Bill's yard needed to be disced up and grass sown. So the next morning he showed up in his tractor and started plowing my front yard. He had me running around in front of him picking up all the rocks outta our yard so he could continue to disc it....I will never forget looking at Carl in his tractor thinking how much he enjoyed seeing me running and picking up rocks while he herded me around the yard....Bill and I laughed and laughed about it, we even laughed about it tonight....but here's what you need to know...after all that plowing, discing, fertilizing and seeding me and Carl did that day, Bill and I had the prettiest lawn around! Thanks to Carl ...
