“ Ann has been one of my dearest friends for many many years. She was my teaching assistant at Harpeth Valley Elementary for many years. We shared that love of teaching that makes a difference in so many young lives. We even enjoyed traveling together. She was a special lady that will be missed so much. She inspired many including her wonderful family. Blessings to each family member.

“ I'm so sorry for the loss of Granny. She brought a smile to everyone she met. She was truly the Proverbs 31:10-31 woman. She would randomly call me over the years and always ended the call with "you know I love you". She was so sweet. She will be missed by many, and let her works praise her in the gates.

“ *I can remember spending so many summers at granny(Ann) and pawpaws(Perry) house there was never a dull moment hanging out with them always was the best time between the crocheting lessons the game nights where we would have Pawpaws favorite Kings feast pizza from Sir pizza playing phase 10 and the amazing stories that would be told between the two. I am sadden to hear of her passing but I find comfort knowing that she back with Pawpaw again. Sending love and prayers for peace and comfort to all that loved her she truly was a gem!

“ Carol was one of the sweetest ladies I have ever had the great honor of knowing! She was always smiling unless she was sick. She and I became fast friends when I had to go to the Life Care Center for rehab. We used to love playing Rummy and Rook together in the evenings in the dining room. She will be greatly missed by Jim and his wife and many more! Rest in peace sweet Carol!!
