“ I was just thinking about all the memories that me and Carrie were talking about not that long ago the two that stood out to both of us were her Michael Jackson birthday pool party and when we broke the front window in her house. She was my best friend in school and we got in a lot of trouble together. I love her and I will miss her a lot. She was an incredibly strong woman and I will always admire that. God speed my friend I'll be seeing ya.
