“ Our hearts go out to Rev Marty and his family as we are shocked to learn of the sudden passing of our friend and ministry colleague Cathy Lombardo. We have only known Revs Marty and Cathy four years and they have poured so much into us and the ministry during that time. Her dancing blue eyes were lovely- Cathy was just plain lovely, inside and out. She will be missed by many.. Shine on my sweet friend...<3 Much love and Shalom Blessings, Mark and Sharon Pawlak, Full Armour Services, Centerville, TN

“ Whenever I would see her and Mr. Lombardo in Hohenwald they were smiling and sharing their faith - they are a blessing to Hohenwald and all they come in contact with - she will be missed by even those, like myself, who did not know her personally. I can hardly imagine seeing one without the other. Extremely sad even though we know that God has a plan. Prayers for the family and comfort in knowing that the life she lived and the faith she shared inspired and touched many.
