“ I am honored and blessed to have known Buddy. He was my supervisor for many years. He was truly a blessing in the lives of the patients he came in contact with on a daily basis. He always had the most positive attitude and a kind word for all. We all will miss his calls to check on the “Lab girls” at Three Rivers Hospital.

“ *Buddy was one of the best bosses and friend I've ever had. He cared about everyone. He would even come in and work night shifts by himself after he was on a walker. He didn't let much stop him. I'll miss our talks about our grandkids, work and our families. He would call me at work every couple of weeks to check on everyone at Three Rivers Hospital. I will miss him so much.*
