“ Charley was the hardest working man I had ever known. He was kind, sweet, thoughtful and would give you the shirt off his back if he thought you needed it. He helped everyone without hesitation or expectations or expected anything in return for his kindness , thoughtfulness, and generosity. He contributed so much to one’s life and was the greatest friend anyone could have. Charley , will be missed more than he probably ever realized.Charley I will miss you and will always love you my friend.You are one of a kind and the “bestest”..Josette
