“ We miss how he would always tease us and how he was such a great person, but he had to go because god said it was his time. We hate that he had to go, but it was something God had to do, because he needed a soldier. He was the greatest man we had ever met! He did everything for us! He always put others before himself! He loved working with his fellow soldiers! He loved his soldiers as much as he loved his family! His whole entire life was based on his service in the military! We loved him so very much, and we still do! WE miss you GRANDPA! Fly high, as high as you can! Love, your granddaughters Saydee & Olivia!
