“ I worked at Tennessee Products in Wrigley? Tn office in the 60's. I never knew a kinder person than Charlie. He would go to the post office to get the mail. The post office was attached to the Wrigley commissary Charlie would get us things at the store. One time I asked him to get me a banana. When he came back he said Miss Reba I chose you a good banana. 😊. He came to visitation to Dickson when my grandmother was at the funeral home. This was in 1965 when things were much different then. I was so glad he came. He was a nice gentleman
