“ *I moved back to Hickman County in 1992 and Charles quickly became one of my closest friends. We stayed friends through high school and even kept in touch to this day. I dare not say some of the shenanigans that we got into during our teenage years!*

I remember in middle school Charles gave a book report on samurais in Mrs. Mayberry's class. For show and tail, he brought a samurai sword to school. I don't know how he pulled it off but he convinced her to let him hold it during class! Only Bam Bam could've pulled that off!

“ I moved back to Hickman County in 1992 and Charles quickly became one of my closest friends. He was always happy and always laughing. We stayed friends and in touch with each other. I remember the time he gave a book report in social studies. His subject content was samurais and he brought a samurai sword for show and tell. I don't know how he convinced Mrs. Mayberry to allow him to bring a sword to school. I believe his mom brought it directly to her and then he was allowed to hold it during his presentation. Only Charles could've pulled that off! Rest in peace buddy!
