“ I had the opportunity to meet Charles in Seaside California. My family moved to Nashville Tennessee and seven months later his family moved to Nashville Tennessee. He had four kids and we had four kids in our family and we were all about the same age. I have a lot of great memories of him, Linda, Lisa, the boys and of course Monika was my best friend for years. May you rest in peace sweet friend. I am so grateful that I came by your house when you and Linda were still living in Woodbine together. One day we will all be together again and Gloryland. I love you very much..Go rest high on that mountain. Your work on earth is done. Tell Monika I love her.
