“ Minister Charlie (Chuck) Pewitt and his wife were one of the reasons we began to fellowship at the Pentecostal Church in Columbia. It was our first visit to the church that we met him and his wife out front in the parking lot. They greeted us with friendly smiles and joyful spirits. They made it easy to follow them into the church. Upon leaving they walked out with us and minister Chuck began to share his miracles of healing with us. He was very excited full of faith and very anointed. It was his faith that snatched him from death's door time and time again! The power of the Holy Spirit rested upon him and his wife and they were always willing to tell of the goodness of Jesus.

In his last days while in the hospital barely hanging onto life Minister Chuck was not thinking about himself but was busy witnessing and leading someone in a prayer of repentance at his bedside.

He fought a good fight, he kept the faith, he finished his course and now he is taking his rest

God bless,
