# Tribute Wall

SB

“ I have known Charolette every since I was 19 she is a very special sister-in-law to me. I consider her my dear sister and loving friend that will be sadly missed she meant the world to me and it will be so hard to wake up every day knowing I will never see her again. I have my mermories of her and I and every one of them I will cherish with all my heart.Battles Family Reunion.
