“ This picture was taken in 1998 - Charlotte's smile says it all - Fabian (2years old) was the light of her life. So much love between these two - I am very proud of the mother she became and also the very special young man she raised. Love them both - Aunt Pat

Charlotte was a good woman, she loved helping others. She stay with my husband after he had his stroke for awhile and was very good at her job. I was fortunate enough to be able to call her friend. She will be missed. My thoughts and prayers are with her family and friends.
