“ *My mom was a good mom to us.
She did everything that should could for us.
We spent summers at Astroworld with season passes she would buy for us every year.
We would love to go to double lake and camp, we have fond memories of that.
She was just a good mom.
She would love to explore old abandon houses.
Sometimes you would go to one, and someone would be living there! Lol.
She loved driving and watching out the car window.
She loved going out to eat.
We will miss doing those things now.....
I love you mom*
