“ Miss Chris was like a mom to me, she was a beautiful person inside and out. She would do anything for anyone and always gave her all at everything she did. I miss and love her more than words can describe 😔

My Dear Friend Chris showed Kindness, Love and Compassion to both the people she helped for many years and also to the animals that she loved and cared for. Chris will continue to hold a special place in my heart, as I have met few people like her. May God Hold Chris and all of us in His Loving Arms.
