“ I met this wonderful man when I was 7 years old. When he first saw me, he said "Hey Shortie !" and I have been Shortie ever since to most of the family. Darrell grew up calling me that and as soon as Darrell's kids could speak I was "Shortie" to them. I used to drive up at Mom's and if they were there, they would come running out of the house saying "It's Shortie, it's Shortie, Hey, Shortie". Judy tried to correct them by saying, "Aunt Shortie" but it didn't work. It does not seem possible that he is not still here. He was my second brother, in fact, I have spent more time with him than with my own brother. I know he will be watching over all of us. So glad his grandchildren got to spend as much time as they did with him. Of course, it's never enough. They were the light of his life.
Gene Bryson...greatly missed.
