“ Dear Family, What an incredible Labor of Love you all have just completed as you provided the very best care right up to the end. When I visited I always observed a man who was happy and well taken care of. I am confident that he found peace having you all around. May the God who loves the broken hearted now go to work to heal your hearts as you go on a grief journey for a while. Now it is time to remember to remember. Tell those stories over and over and over again, as long as it takes. Please call on me at anytime if you run out of people to listen 931-374-2788. May the Lord bless you and keep you and may He fill your hearts with His wonderful peace. For Hospice Compassus, Eddie Rogers, Chaplain
