“ While I lost touch with him after I went off to college, I'd spent my childhood with Cody being an unofficial cousin. He was a great friend and a great person. I remember going to the flea markets with Mammaw, Janjan, Cameron and Cody once close to my birthday and he got me an angel statue he saw me admiring and I have it to this day. Now he's gone to join them. I hope he finds the peace up there that life didn't let him have for long down here in this life.
