“ Cody was my neighbor for a while. He would always hang out at the end of the driveway as I walked the dogs, he loved to give attention to my dogs. They loved seeing him. I remember one night my husband was out of town and someone I was a bit scared of had recently gotten out of jail, I told Bridgett and Cody about it, Cody said he was ninja , I kind of laughed the he told me he was great at jiu jitsu and not to be concerned for my safety. He put my mind at ease that night. I will remember that forever! I'm thankful that I knew him, even if it was for a short period of time.
