“ I've known Connie for a few years and she was a special person. Her children and grandchildren were her life. She worked hard providing for them. My husband and I will definitely miss her. I will remember the good times we shared. My heart goes out to her family. May God be with the family during this difficult time.

“ Connie was one of a kind, she would offer you the shirt off her back if you needed it! She opened the door to her home many many times to those in need of a place to stay or something to eat. She raised all her kids although she wasn't the birth mom to them she loved them with all her heart and soul. She would talk about her grand babies with a sparkle in her eyes....she was so PROUD! Her birthson L.J. was the light in her life she loved him so much, more than a mother could possibly love a son. He slept with her and he is indeed a mamas boy! Connie, my friend, my blood relative, I love you so much and you will be missed. I am so grateful to have had the chance to say good bye to you, to hug and kiss you before the lord took you home to be with him. Rest In Peace, My dear! Your cousin, Cynthia Orr
